SUMMER IN THE
psalms

ATHEY WOMEN
READING PLAN 2023

PSALM 1:3

He is like a tree planted by
streams of water that yields
its fruit in its season, and its
leaf does not wither. In all
that he does, he prospers.

Since the summer of 2020, we have shared Summer in the Psalms from our social media accounts. We have covered Psalms 23, 32, 33, 34, and 119. We concentrated on the Lord being our Good Shepherd, the joy that comes from following the Lord, the sovereignty of the Lord, and the excellency of the Word of God.

This year we want to take a different approach by looking at all 150 chapters of the book of Psalms. We have put together a simple summer reading plan to do just that. With five days each week, the plan includes 55 days of summer reading, and each day averages around 40 verses. We have included a few lines with each day's assignment for you to write down something that stuck out, some themes, or even writing out a particular verse you want to concentrate on. We pray that this summer season will be a time of refreshment in your Bible as you focus on His words and truth.
