

The background is a detailed illustration of a night landscape. The sky is dark and filled with stars, with a prominent view of the Milky Way galaxy on the left side. In the foreground, there are dark, rocky mountains and a valley. A long wooden bridge is under construction, with many wooden planks laid out on the ground and a small wooden frame standing in the middle. The overall style is a dark, atmospheric illustration with a focus on natural elements and construction.

ATHEY CREEK
RIVERSIDE

The background of the image is a detailed illustration of Noah's Ark at night. The ark is a large, multi-story wooden building with a ramp on the left side where animals are walking. In the foreground, there are several animals: two giraffes, two elephants, and two lions. The ark is set against a backdrop of dark, jagged mountains. The sky is filled with stars, and the Milky Way galaxy is visible on the left side. A large, glowing yellow circle is centered in the sky, containing the text "ATHEY CREEK".
